

I want to login to the forum of Migration Alliance but I do not remember my password.

Are you registered in the forum?

Has your application to use the forum been approved yet? (Please note: this is an application to use the forum, after becoming a member of MA (MMA). There may be a wait for approval, depending on the the queue.)

Until approved, the PW reset will not work for you.

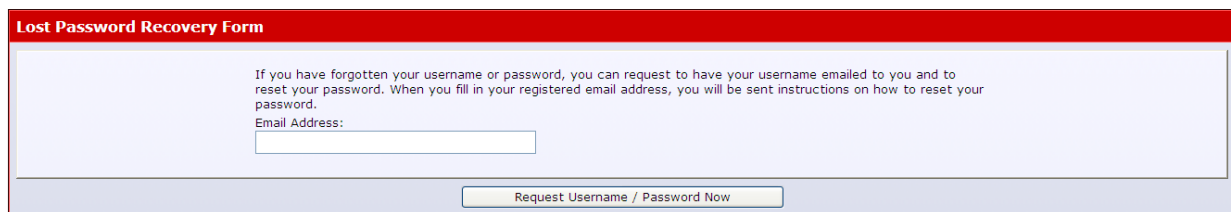

As an approved forum user, you can reset the forgotten password. You must use your email listed in the OMARA website.

The screenshot shows a message box with a red header titled "Redirecting...".
